# Penny Wars

## Here is how it works:

- Recruit co-workers to be on your team.
- Pick up a container in the Foundation Office March 2 – 5 (before spring break).
- Decorate your container using a TV Game Show theme.
- Start collecting pennies from friends, co-workers, neighbors, etc. to place in your container.
- Bring your container to the LEAGUE Kickoff Luncheon in the Student Union by 11:30 am on Tuesday, March 24 for the War where staff and faculty will have the opportunity to add pennies to your container or sabotage your team's effort by placing silver coins or paper bills in your container.

Prizes will be awarded for best decorated container and department or team with the most points:

How points are determined:

---

1 point for each penny collected.

---

Each silver coin or bill reduces the number of points from that container by the amount of the coin (example: a nickel reduces the points by 5, a dollar by 100, etc.).

---

All money collected will go to the LLCC Foundation's Pay It Forward Fund which helps students who need emergency assistance.
