Mission: The mission of the LLCC Food Pantry is to provide support to Lincoln Land Community College students in the area of supplemental health and wellness by providing reliable access to a sufficient quantity of nutritious food.

Vision:

The LLCC Food Pantry aspires to alleviate the barriers associated with food insecurity to support student success at LLCC.

Goals:

1. Provide food resources to students experiencing food insecurity.
2. Provide community resources and referrals that can further assist students' needs.
3. Provide personal care and hygiene items as supplies are available.

February 2017 Updates: *How are YOU helping?*

Since the Food Pantry has been open, we:

- Over 30 students served.
- Over 600 items donated.
- Average of 14 visits per week.

There have been weeks where I worried about whether I had enough money to buy lunch before classes, but since the food pantry has been open, that has been one less thing to worry about throughout my day. Now I am able to focus more on my studies.
