Assessment Workshop for Adjuncts - MN2201

This workshop has been designed to assist adjunct faculty in their participation in the assessment process at LLCC. Participants will receive an assessment overview to gain an understanding of assessment as it occurs at LLCC and take part in a working session to complete various assessment activities, as time allows. Participants are asked to bring a syllabus with student learning outcomes, assignment instructions, assignments and/or tests, and data from completed tests and/or assignments that need to be analyzed.
