

01

10 a.m. - 2 p.m.
A. Lincoln Commons

View the new walking path feature on the LLCC website and take a test walk on one of three designated paths through campus prairies or create your own path.

02

10 a.m. - 2 p.m.
A. Lincoln Commons

Watch *Death by Design*, an award winning documentary that explores the hidden side of the electronics industry revealing the environmental and human health costs. Movie will run three times, drop in and watch for a few minutes or stay for the whole film.

03

10 a.m. - 2 p.m.
A. Lincoln Commons

Taste the inaugural honey harvested from LLCC's campus bee hives and learn from experienced beekeepers how to maintain hives and about the role bees play in our lives.

04

10 a.m. - 2 p.m.
A. Lincoln Commons

Paint a rock to leave on the campus walking trails and use your creativity to bring kindness into the world. (Takes place outside A. Lincoln Commons.)

Learn how to be a sustainable steward with the Green Center.

Wednesday

10.25

Campus Sustainability Day

**Lincoln Land
 Community College**
